ABOUT MYSELF

Enthusiastic, highly motivated software engineer student who likes to take initiative and seek out new challenges. Exploring new technologies and integration UI tools make me very happy and excited. Besides, I love working with teams and I'll give my teams all of my efforts.

CAREER OBJECTIVES

Seeking a challenging career in company which I can apply my talents and skills to grow and expand the company as well as myself. In the future, I'll aim to work as full-stack and low-code/no-code developer.
